

Fun Learning Through Experience

“Our team was so pleased to have The Jolly Pop here today! The kiddos are still talking about how much fun they had. They said that you were one of our best experiences so far!”

Onsite Field Trips

The Jolly Pops provide a fun and upbeat music and movement program for your kids and teachers. Our Onsite Field Trips are a great way to break up routine, learn about music, and get the wiggles out. Our programs can be tied to your curriculum or simply be an entertaining show.

We’ve performed in classrooms, muscle rooms, gyms and everything in between. Whatever space or situation you might have, we can make it work.

Choose from a Solo, Duo or Trio option to meet your budget and needs.

Concerts

To add an extra layer of fun to your party or special event, schedule a concert by The Jolly Pops. Mr. Billy can rock out on his own or with a group of musician Dads. You bring the Spinach Dip, we’ll bring the Family Fun.

Concerts usually last 45 to 60 mins.

Elective Classes

Elective Classes are a great way to integrate The Jolly Pops and music into your after-care or after-school programs. Our classes run 4-6 weeks, 1-2x a week. Sessions last 30 or 60 mins, and are ideally suited for up to 10 kids.

During the course of the class, the children are introduced to basic musical concepts and simple instruments, and they’ll have a load of fun along the way.

Elective classes also provide an opportunity for the school to garner revenue via a portion or percentage of the class fee.

If none of these options are quite right, contact us to see what else The Jolly Pops can do!
